

## **STATEMENT OF PURPOSE**

### **RS20849**

The purpose of this bill is to provide an opportunity for Idaho citizens to support Idaho state parks by choosing to pay \$10.00 dollars for one year or \$20.00 dollars for two years at the same time as they purchase or renew their vehicle registration. The choice allows citizens to participate in the Idaho State Parks Passport program which allows entrance into all of Idaho's state parks. Fees collected will be deposited into the park and recreation fund to support park capital improvements and park maintenance, repairs, and operations. This bill is one of many ways the department is providing opportunities for citizens to support Idaho state parks.

### **FISCAL NOTE**

The Department estimates a 20% participation rate and net revenue to be \$1,901,500 per year. This figure is based on the participation rate less processing fees, the removal of the extra vehicle fee, and the elimination of the motor vehicle entry fee exemptions for campers.
